

Mrs G. M. West New London

Mr Lillian Subsp 7

You wrote about
mortgage which you have on
some land you sold and
you ask if I would take
the mortgage and apply
it on the note I hold
which is signed by you
and G. M. West.

I would not want
to take the mortgage as
I am not situated to
look after it.

You are right there
and know the people who
bought the land and who
you have the mortgage and
they doubtless know that
you are a good collector.
You are trawler if better
than I could be. The removal
winter here. Plenty of snow
